SCULPTURE IN THE PARKLAND 2017

BLOOM 2014 ,2015 & 2016 Medal Winners

Designed & Curated by Ruth Liddle & Ken Folan of The Kildare Gallery

Now in its 4th year ,Sculpture in the Park has become an exciting must see outdoor art gallery feature at Bloom Garden Festival.

Showcasing the work of over 40 artists, visitors were invited to walk through, enjoy and interact with the best of Irish outdoor art in a garden style setting.

Our brains naturally enjoy & respond to art. That experience energizes and changes us; subsequently we are more inspired and open to learning. Placing sculpture in a garden or public space, whether it is small or large can both enhance the space & give us enjoyment year round.

This concept feature at Bloom, brought garden sculptures to the masses and created an avenue for people, to buy directly or order their own bespoke piece from

www.garden-sculptures.ie

In 2015 we opened the Kildare Gallery at Carton House Maynooth. Both indoor & outdoor sculpture along with paintings are available here.
